Dear parents and friends of Willy Gilly

Wishing everyone a really positive and healthy New Year ... word at the gate is that everyone's New Year resolution was to get thoroughly involved in the school's pta – that's fantastic!

We launch this year with our first PTA meeting being held on Monday – that's Monday 14<sup>th</sup> January at 7.30 in the Year 6 classroom. Come and hear the latest buzz from the Winter Wonderland Ball committee (only THREE weeks to wait!). Thank you to all the parents, friends and our lovely caretaker who have all kindly donated so many gifts and services. I don't want to ruin the surprise as I believe the committee are sending out their own newsletter next week with full details ... but cash in those ISA's NOW or if you need a financial adviser...?! there will be so much you'll want to bid for on

Saturday 2<sup>nd</sup> Feb!! It's going to be A NIGHT TO REMEMBER!! I wonder who will get to wear David Beckham's shirt on the way home?!

Back to the meeting on Monday ... we need as many from our voting committee as possible as its "hands up" for the final vote on the playground shading programme.

We can then push the button and install some truly amazing shading in readiness for the blistering summer we all anticipate!! Future spending plans will also be high on the agenda!

The date for the next PTA AGM will be set on Monday – so if you and/or some friends fancy taking over the reins for the coming year (March '08 – March '09) – make yourself known and we can start biting your hand off!! Fresh ideas for events, both fundraising and social will be very well received!!

So ... Monday!

Mary Johnson Evans  
PTA Chair

Thank you SO much to the ladies on the Ball committee – I know things are really hotting up for you – your time and hard work is really appreciated by everyone! Big big thank you xx

A big thank you also, to Judith Carroll who has been working tirelessly for the best part of a year on the shading programme. Judith is now an expert on planning consents and has become an excellent liaison expert between teachers, shading companies and councils ... anyone planning an extension to their house – speak to Judith! xx
