Chair's Note

A hearty welcome to new and returning parents/carers!

I hope where ever and however you spent your glorious 6 week summer break that a good time was had by all.

The beginning of a new school year does not signal the end of summer fun but rather the opportunity to have a different kind of fun, from watching your child strut their stuff at the school disco to engaging in a night of splendor at the annual Ball.

This year the PTA plans to provide you with an array of events to keep your blood pumping and your school spirit high.

I hope your child/children have settled into their new year group and I look forward to seeing you at a PTA event very soon,

Kelly
