Dear Parents

Sponsored Skip – British Heart Foundation

Last Wednesday everyone skipped with enthusiasm! Please can you send any outstanding sponsor money into school by Friday 22nd June.

Sun Hats and Sun Cream

If the rain stops and summer weather does return we would appreciate all children having a sun hat to protect them.

The party tents have provided some temporary areas of shade but many children still want to run and play and we encourage them to be active.

It is important to impress upon parents that it is your responsibility to ensure your child has adequate protection. When hot sun is forecast please send your child to school with a hat and if you use sun cream, send your child with their sun cream already applied. Several brands do all day, long lasting sun cream.

In extreme heat we will make provision wherever possible, for children to come into the hall or ICT suite for cooling down sessions. We also have a small supply of hats in school to issue to pupils without a hat; however if you don't like the idea of communal hats then please make sure your child has their own.

If there is an occasion where the weather is extreme and we genuinely feel your child's health is in danger then we will insist they wear a hat or don't go outside.

If we need to know anything pertinent to your child's health connected with the sun or heat then please let your child's class teacher know.

Water

Not only does research show that water stimulates the brain, but it is essential to keep hydrated. Please encourage your child to bring a bottle of water to school.

Open Afternoon – Tuesday 3rd July

There is an opportunity to look around the school with your child and visit the next classroom at the schools open afternoon between 3.30 and 5.00 p.m.
